Article by Leo Zagami

In my latest book, ***The Rise and Fall of a Frankist Monster:*** *Exposing Jeffrey Epstein and The Most Powerful Jewish Sect in the World* I described how historically, "Vienna became a Frankist hot spot," as Jacob Frank and his daughter "repeatedly traveled to Vienna and even gained the favor of the court." I also explained how, *"amongst the biographical summary of Viennese Sabbatian Frankist personalities,"* who Rabbi Antelman said, *"worked in concert to subvert Austrian Jewry,"* we also find *"working with one of Hitler's mentors, August Rohling in promoting anti-Semitism,"* none other *"than* ***Albert Salomon Rothschild (1844 –1911),*** *the grandson of Salomon Mayer, the founder of the powerful Austrian branch of the prominent Rothschild family who held significant influence within the Habsburg Empire and across Europe in that period."*

So, it shouldn't come as surprise that, in the latest Epstein files release (https://www.pbs.org/newshour/show/whats-revealed-in-the-latest-epstein-files-release-and-whats-redacted)

Ariane De Rothschild and Jeffrey Epstein claim that Hitler lived in a shelter that was funded by the Rothschilds and the Epsteins.

I thought youd find amusing that in a harvard class on hitler they told the story of when he was so poor he lived in a shelter for the homeless and destitute ,,that had been financed by the three wealthy families. The gutmanns the Epstein s and the Rothschilds . It turns out to be accurate

As the famous Israeli historian, Gershom Scholem, once wrote in a citation I used for my book on Epstein: " *Not only did most of the families once associated with the Sabbatian movement in Western and Central Europe continue to remain afterward within the Jewish fold, but many of their descendants, particularly in Austria, rose to positions of importance during the 19th century as prominent intellectuals, great financiers, and men of high political connections."*

Because of his prestigious family origin, made of "Vienna bankers" who commissioned the "Palais Epstein (https://en.wikipedia.org/wiki/Palais_Epstein)," as confirmed by Epstein in the email exchange in question, he was recruited at a young age in "the Sabbatian Frankist banking cartel." Interestingly enough, the architect of this famous building financed by Epstein's ancestor, **Gustav Ritter von Epstein (1828 –1879)** was Theophil Freiherr von Hansen (https://en.wikipedia.org/wiki/Theophil_Freiherr_von_Hansen), who also designed the adjacent Austrian Parliament Building (https://en.wikipedia.org/wiki/Austrian_Parliament_Building).

That's why during a July 2019 raid on his Manhattan townhouse, the federal investigators found what was described as a fraudulent Austrian passport (https://abc30.com/post/epstein-files-justice-department-releases-additional-documents-jeffrey/18309116/) in Jeffrey Epstein's safe. But was it "fraudulent" or was it the product of a favor by Austrian family friends? The passport was issued under the name **"Marius Robert Fortelni,"** but featured a photograph of a younger Epstein, who listed his occupation as "Manager" and his residence as Dammam, Saudi Arabia of all places...

Jeffrey Esptein's email exchange with Ariane e Rothschild finally confirms without a shadow of doubt that Jeffrey Epstein was a descendant of Gustav Ritter von Epstein, a Jewish Sabbatian Frankist Austrian industrialist and banker who commissioned the famous neo-Renaissance building, **Palais Epstein.**

Gustav was born on April 10, of 1828 in Prague, where, as I explain in my book, most of the influential lodges "of the Asiatic Brethren" were based at the time, a form of Freemasonry built by the Sabbatian Frankists and the Illuminati, that amongst other things, influenced the Bohemian Club. Gustav Ritter von Epstein, was the fourth child of Leopold Epstein, who was the director of the National Bank (https://en.wikipedia.org/wiki/Oesterreichische_Nationalbank) at the time. After Gustav's father died in 1864, he took over his father's banking business and due to his prominent position with the Austrian Sabbatian Frankist's elite of 1866, Emperor Franz Joseph (https://en.wikipedia.org/wiki/Franz_Joseph_I_of_Austria) bestowed him with the Iron Crown 3rd Class

Translate »

(https://en.wikipedia.org/wiki/Order_of_the_Iron_Crown_(Austria)) . Nevertheless, Gustav's fortune was destroyed in the Panic of 1873, eventually forcing Epstein's family to relocate to America, where Jeffrey Epstein's parents were both born.

Ariane de Rothschilds reportedly replied to Epstein's claim of his family links with Hitler and the Rothschilds with the comment: "Generosity goes unrewarded." The fixation Jeffrey Epstein had with tracing his Sabbatian family ties with his close friends and collaborators was so strong that he sent DNA test kits to Noam Chomsky and Woody Allen (both of Ashkenazi Jewish origin), as the newly-released DOJ files has shown.[2] (applewebdata://0508C96B-0766-4A21-BE4E-35B70C1675FC#_ftn2) So, these seemingly weird interactions between Ariane de Rothschild and Jeffrey Epstein which emerge from thousands upon thousands of pages of emails and calendars released in late January 2026 as the final installment of the controversial Epstein files, are not-so-weird, after all. They confirm what I wrote in, *The Rise and Fall of a Frankist Monster,* about a much closer personal and professional relationship between Ariane de Rothschild and Jeffrey Epstein than the Edmond de Rothschild Group had previously acknowledged, as well as a close link between Jeffrey Epstein and the Rothschild family, in general, due to old family ties mentioned by Epstein, which are also linked to the Sabbatian Frankist sect and Adolf Hitler, who was a product of a ritual performed by the powerful Jewish sect, as I explained in my book.

The new documents also revealed that Epstein's Southern Trust Company billed a firm linked to Ariane and the Rothschilds (i.e., Edmond de Rothschild Group) $25 million in 2015 for "risk analysis." The document specifies that the payment was linked to outstanding matters between Edmond de Rothschild Holding S.A. and the United States, and that payment would be made within three days after the Rothschild Group completed its payment to U.S. authorities. In addition to the $25 million fee, the agreement provides for the reimbursement of all travel and out-of-pocket expenses incurred by Epstein, Southern Trust Company, or its employees, representatives, agents, or advisers in connection with the work. The document includes confidentiality provisions, stating that any confidential or proprietary information identified by the Rothschild Group would be protected under the terms of the agreement. The agreement was signed several years after Epstein pleaded

Re: Letter of Agreement

Dear Jeffrey:

You, on behalf of Southern Trust Company, Inc., a Virgin Islands corporation ("STC"), have been collaborating with Ariane de Rothschild on behalf of Edmond de Rothschild Holding, S.A. (collectively, the "Rothschild Group"), regarding risk analysis Rothstchild Group and the application and use of certain algorithms with respect to the same (the "Specified Matters"). The purpose of this letter agreement (this "Agreement") is to set forth the terms upon which you, on behalf of STC, will continue to work with the Rothschild Group on the Specified Matters (the "Work").

1. The Work. STC shall provide the Work as further specified and agreed to between Jeffrey Epstein and Ariane de Rothschild from time to time while this Agreement remains in effect.

2. Fees and Expenses. In consideration for the Work, the Rothschild Group shall pay the following to STC:

For Work specifically relating to outstanding matters between Edmond de Rothschild Holding, S.A. ("EDRH") and the United States , $25,000,000

payment shall be made by the Rothschild Group to STC by not later than 3 days after EDRH makes payment to the US .

The Rothschild Group shall reimburse STC for all travel and other out-of-pocket expenses incurred by you, STC or your or STC's employees, representatives, agents, or advisors in connection with the performance of Work under this Agreement.

3. Confidentiality. You and STC agree that any and all confidential information or proprietary information identified as such by Rothschild which you or

Epstein's Southern Trust Company allegedly provided financial cover for child trafficking, and for this reason, the Edmond de Rothschild Group initially denied any meetings between Epstein and Ariane de Rothschild, but later admitted they met more than a dozen times between 2013 and 2019 for what they described as "normal duties" such as estate management (https://en.wikipedia.org/wiki/Ariane_de_Rothschild) and so-called "risk consulting."

Jeffrey Epstein in an email to Peter Thiel stated: "As you probably know, I represent the Rothschilds."

The newly disclosed government files on Jeffrey Epstein are offering more details about his interactions with the rich and famous after he served time for sex crimes in Florida, and on how much investigators knew about his abuse of underage girls when they decided not to indict him on federal charges nearly two decades ago,[4] (applewebdata://0508C96B-0766-4A21-BE4E-35B70C1675FC#_ftn4) but keep in mind there are another 3 million files that won't be revealed. No other suspects will be brought to justice, even after Ghislaine Maxwell references in a recently filed court document four potential "co-conspirators" and "25 men" who allegedly reached "secret settlements" connected to Epstein's abuse—and were never indicted.[5] (applewebdata://0508C96B-
